

2025 Private Label Health & Beauty Care Session

Education & EPPS Programs

ECRM's educational sessions provide EPPS attendees with the opportunity to learn from thought leaders and category experts on a variety of topics aimed at their professional development. These sessions include presentations, moderated panel discussions, special events, workshops, and roundtable discussions focused on category insights and trends, as well as hands-on workshops to help buyers and sellers enhance the effectiveness of their meetings during an EPPS.

Unleashing the Power of Private Label Brands in CPG

40 minutes

Join Diana Leza Sheehan, founder of PDG Insights, as she provides a first look at the 2025 Private Label Pulse Study. Understand what drives consumers to buy private label and how retailers can differentiate their private label portfolio for consumers through assortment, marketing, and innovation. We'll also explore barriers for consumers in buying private label and explore the consumer segments best positioned to drive sales in retail for private label products. This session will provide a unique lens from the shopper point of view that helps dig into the why behind the buy.
