2026 Pharmacy Technology, Services, Supplies & Automation Session

Education & EPPS Programs

ECRM's educational sessions provide EPPS attendees with the opportunity to learn from thought leaders and category experts on a variety of topics aimed at their professional development. These sessions include presentations, moderated panel discussions, special events, workshops, and roundtable discussions focused on category insights and trends, as well as hands-on workshops to help buyers and sellers enhance the effectiveness of their meetings during an EPPS.

Pharmacy Technology, Services, Supplies & Automation Session Roundtables

60 minutes

Monday, November 16th | 4:30 PM - 5:30 PM

This is a great networking event, giving participants the opportunity to discuss relevant industry topics in a roundtable format with fellow industry professionals sitting at the table.
Participants can choose a table with an assigned topic to discuss. After 20 minutes, we will pause and ask everyone to switch to a second table topic.
